2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire) (results and details need to be provided as a weblink)
Student Satisfaction Survey (SSS):

To assess overall institutional performance. The survey is a crucial element that gives students a platform to provide feedback on various aspects of their educational experience. This includes teaching quality, campus facilities, administrative services, and other key institutional functions. The results of this survey are often utilized to improve the institution's operations, making it more student-centric.

The Student Satisfaction Survey (SSS), the institution should design its own questionnaire to assess the overall performance.

The information related to our college which is to be uploaded here with is as per the required templates format is properly verified by me. It is to declare that the details provided is true and correct as per my knowledge. Hence, I request you to kindly accept the supporting documents duly attested.

Yours Faithfully
