Major in PHILOSOPHY (Subject)

Under the Faculty of Humanities

Effective from Academic year 2024 – 2025

(As per NEP-2020)

***Forward by the Dean,
Faculty of Humanities.....***

National Education Policy 2020 has been announced on 29.07.2020. NEP 2020 proposes a new and forward-looking vision for India's Higher Education System through quality universities and colleges. Its key is in the curriculum and its practical implementation.

The curriculum must be exciting, relevant, and regularly updated to align with the latest knowledge requirements and meet specified learning outcomes. High-quality pedagogy is necessary to impart the curricular material to students successfully; pedagogical practices determine the learning experiences provided to students, thus directly influencing learning outcomes. The assessment methods must be scientific, designed to improve learning continuously test the knowledge application.

The university's proper framing and development of syllabi will result in the upbringing and nourishment of multidisciplinary and holistic citizens. Emphasis is on outcome-based learning. Every course has well-defined objectives and outcomes. The assessment guidelines also provide clarity and precision to the vision behind prescribing the particular course content.

NEP foresees more vibrant, socially engaged, cooperative communities and a happier, cohesive, cultured, productive, innovative, progressive, and prosperous nation. The introduction of Research Methodology and ethics will widen the vision and broaden the perspectives of the learners.

Introducing Case Studies and Field Projects has created a unique opportunity for the higher education institute to bridge the gap between the academia, industry and the community NEP believes effective learning requires a comprehensive approach that involves an appropriate curriculum, engaging pedagogy, continuous formative assessment, and adequate student support.

We are sure that the Graduate centres of this university and its affiliated colleges will implement the course effectively and successfully, resulting in a healthy and more creative academic ambience.

Dr. Parag Khadke,
Dean, Faculty of Humanities,

From Desk Of Chairman, Board of Studies of the Subject Philosophy

Why Philosophy?

Philosophy is love of wisdom!

Philosophy makes us think!

Philosophy reveals the layers of individual's existence!

The Preamble

Philosophy teaches us what to learn and what to unlearn !

Philosophy teaches us to distinguish between belief, opinion, knowledge and wisdom !

Philosophy digs deep into our existence to manifest our potentials!

Philosophy introduces you to yourself !

Philosophy sharpens your analytic and investigative thinking !

Philosophy teaches us that problem always comes with a solution!

Philosophy teaches the why of existence !

What more is needed in life then philosophy !

Philosophy means love of wisdom. It answers the question why rather than how; and this is the

vital ingredient of human life.
